

PANDI SELVI

FULL STACK DEVELOPER

IMMEDIATE JOINER

ABOUT ME

A highly motivated and skilled Full Stack Developer with 3 years of experience, seeking a challenging role in a dynamic organization. Strong knowledge of responsive design and modern web development practices. Experienced in working closely with UI/UX teams to transform wireframes and mockups into engaging, user friendly web applications.

WORK EXPERIENCE

XENOVEX TECHNOLOGIES PRIVATE LIMITED

Full Stack Developer

Feb 2025 - June 2025

- Worked on Tamil Nadu School Education Department projects, contributing to key applications and services for schools and administrators across the state.
- **Frontend Development:** Built responsive and dynamic user interfaces with HTML, CSS, JavaScript, and Angular.
- **Backend Development:** Developed APIs and services using Node.js, PHP and Django.
- **Database Management:** Managed and optimized MySQL and MongoDB databases to maintain data integrity and enhance performance for high-volume operations.

VERANDA RACE

Full Stack Developer

Mar 2024 - Sep 2024

- **Frontend Development:** Led the design and development of user interfaces, ensuring responsive and dynamic web applications using HTML, CSS, Javascript and Angular.
- **Backend Development:** Architected a microservices-based API using Node.js and PHP, enhancing system reliability and scalability.
- **Database Management:** Managed complex database systems like MySQL, MongoDB, optimized queries and ensured data consistency across the application.

MAVERICO TECHNOLOGIES PVT LTD

Junior Full Stack Developer

Jul 2022 - Mar 2024

- **Frontend Development:** Assisted in designing and developing user interfaces using HTML, CSS, Javascript and frameworks like React JS.
- **Server-Side Programming:** Optimized server-side code in JavaScript and PHP, reducing server response time and improving user request handling.
